- 26/060 Receive and Accept Apologies for Absence:** Cllr Mr Ian Alderson (Vice Chair)
- 26/061 Declarations of Interest relating to this meeting:** There were no declarations of interest on items on the agenda.
- 26/062 Graham Donaldson, Rural and Business Crime Officer, Wildlife Crime Coordinator, West Mercia Police:** Graham reported that he is seen as a single point of contact for rural communities particularly regarding crime prevention and supporting victims of crime. 70-80% of rural crime is committed by organised crime groups. Hare coursing is still occurring, and landowners are unlikely to press charges due to the threats from the coursers, but he would encourage them to report it. The issue of speeding vehicles, particularly motorbikes on the B4368 was raised and he will take that back to his team. He encourages anyone with dashcam footage to report incidents on Operation SNAP. Prosecuting speeding motorbikes is difficult, but Operations SNAP is very useful for this. He does have funding for trackers for rural business vehicles and equipment, so he encourages local businesses to contact him for support. The police are very reliant on local knowledge in rural areas, so he is encouraging members of the public to report anything unusual or suspicious.
